
FULL AutoCAD LT 2018 Activation

March 22, 2018 - SOLVED: I just tried to install AutoCAD LT 2018, By updating version 2017. 2017 worked fine, but 2018 does not allow me to activate. I thought if I would install it now, I will get 2017 at least. But I get an error message "failed to install. Not sure what to do next if someone could help me, I would be very grateful. Thanks to. ---- - Here are the steps that I performed: First go to Start> Parameters> Update and Security> Windows Update and click "Check availability of updates". Click "Not Now" in case Windows detects non-critical updates.
