Feb 11, 2019 Anno 1404 is developed and published by Ubisoft Germany, inspired by the works of Sid Meier and especially the success of the world-famous title Anno 1800. Apr 23, 2019 A total of three expansions have been released for Anno 1800: Surviving the Ice Age, Dwellers, and Beyond the Ice Age. At the time of writing, the current retail price is \$69.99 or €79.99. If you are looking for the EU Version be sure to to change it to EU. May 5, 2019 For more details about game, please play official Anno 1404 game preview. Keep the Rental right balance of the cities and try to dominate the game. History Ubisoft first released Anno 1404 in March 2009 under the brand name Anno 1601, set in the year 1601, the year of the alleged invention of the mechanical clock. The Anno series was developed by Ubisoft Annecy as part of the overall Ubisoft franchise. Anno 1404, a sequel to Anno 1601, was released in September 2009 and took place in the early 15th century, although game settings are largely set during the 15th century. Development Anno 1601 and its sequel, Anno 1404 were developed by Ubisoft Annecy. Initially called Anno 1601, the game was part of the Anno series, which started with Anno 1404. Both titles were set in the early years of the 14th century and used OpenAL technology, allowing the game to have sound effects that can be adjusted. Anno 1601 Anno 1601 was released in March 2009 and was published by Ubisoft. Set in the year 1601, the Anno franchise revolves around the creation of 15th-century construction projects, which produces goods in order to fund your city. There are game modes such as freeform and construction. The game also features a Create-a-City mode. Anno 1404 Anno 1404 was released in September 2009 and is the sequel to Anno 1601. Anno 1404 takes place in the early 15th century. The Anno franchise revolves around the creation of 15th-century construction projects, which produces goods in order to fund your city. The game has five seasons which each last for a certain length of time (Winter 1601-1602, Spring 1601, Spring 1602, Autumn 1602- 570a42141b
