Executables Ø (Rar or Zip.DETROIT (AP) — A former deputy sheriff whose father was killed after law enforcement officers shot him in his suburban Detroit home says he was also shot at by one of the officers. The Detroit Free Press reports yesterday's court proceedings shed light on what happened. A prosecutor says 53-year-old William Myles fired at one officer but missed. The newspaper reports attorneys haven't determined whether Myles, who was unarmed, was wielding a weapon when police entered his house last May. Police say the two knew each other. According to the newspaper, Myles' girlfriend accused the officers of entering the home to burn drugs. She told the judge she was not involved in illegal activity. His father's body was found a day later. ___ Information from: The Detroit Free Press, MYSQL syntax check Hi I am trying to write a few SQL commands in my code. I have to insert a value into a table.
