The present invention relates to novel compounds of formula (I) which can be used in the treatment or prophylaxis of the diabetic state. These compounds are derivatives of indole-3-carboxylic acid or of an acid addition salt thereof. They have a good activity in the treatment or prophylaxis of diabetes. Indometacin, also known as

---

1-methyl-5-naphthyl-3(2H)-pyridone or indocin, is an antagonist of prostaglandin synthesis. Indometacin is used for the treatment of rheumatoid arthritis and has been shown to have beneficial effects in the management of rheumatoid arthritis. Indometacin has also been shown to be effective in the treatment of osteoarthritis. Indometacin has not proven to be beneficial for the management of gout and other forms of acute pain, and has not proven to be beneficial for the treatment of familial Mediterranean fever. It has also been associated with an increased incidence of endometrial hyperplasia, particularly where the patient is also receiving estrogens. Indometacin exhibits (1)

Betonballen Wie man ihn brÃ¼nnt In the beginning, there were only creatorâs gifts, the tools players used to make sure their creations were worthy of tournament prizes and the titles of official LEGO creations. Over the years, the Gift Shop evolved, with a new Â£200,000 championship brick-building promotion, to celebrate the start of theÂ 2009/10 season. The awards also introduced an

---

âAutographerâ award for the best photo of a LEGO creation submitted to the Gift Shop Flickr pool. The Autographer award was created to help drive internet traffic to the Gift Shop Flickr pool. Many of the bricks and some of the minifigures introduced to the 2012 promotion were the result of fansâ submission. The LEGO Champions range of bricks was also added to the Gift Shop shelves to enable fans to build top-performing LEGO creations to ensure their creations could meet and surpass the LEGO Champions bar. Gift Shop now offers a wide range of LEGO® products in the Gift Shop floor and on the Website, . Focused on innovation, the Gift Shop is developing an exciting line of new products and was recently welcomed into the LEGO community of

---

designers, builders and inventors by joining the LEGO Ideas committee. "We've already been working hard to find other ways to get our products into your hands to enhance the LEGO experience even more. The Gift Shop will remain on the front of the London newsagent from November 21st, 2012, until November 8th, 2013 and is priced at £1.75 each. The Gift Shop expansion is in response to overwhelming demand from fans to make even more of a contribution to the LEGO experience. The gift shop will be open online and in bricks and mortar stores from November 21st, 2012. The LEGO Gift Shop has been growing since the start of the 2008/2009 season, with the LEGO Virtual Technic range experiencing strong growth and the

---

LEGO IdeasÂ program enabling the introduction of many new models that have captured the imagination of the LEGO fan community. While the range of products on the Gift Shop shelves will be the same, theÂ Gift ShopÂ will introduce exciting new models every season and will continue to appeal to a wide audience, from children
