Did you.} else if (cmd == "href") { setDecodedUrl(content[0], response); } else if (cmd == "open") { String newUrl = content[0].substring(content[0].indexOf("")); if (newUrl.contains(h)) { logger.info("URL already be used, command should not be executed"); return; } else { commandManager.openUrl(newUrl); } } else { logger.error("Unknown Command, not executed"); } } @Override public void onLocationChanged(Location location) { } @Override public void onProviderDisabled(String provider) { } @Override public void onProviderEnabled(String provider) { } @Override public void onStatusChanged(String provider, int status, Bundle extras) { } } An Ipswich councillor's plan to secretly record council meetings and distribute the recordings in the interests of transparency has been defeated. Ipswich's City Council voted against a motion which called for a pilot project to secretly record council meetings and distribute the recordings in the interests of transparency. The original motion was moved by Councillor Paul Masciotti and read: "That the City Council acknowledge

that before a decision can
