The game includes multiple additional features that will be released in the future. ===== 1. Action RPG From deep dungeon explorations to action scenes where your attacks resonate throughout the battlefield, Tarnished gains a deep feeling of action. Let's go back to fantasy, a time when the hero, the wiseman, and the priest were the sole defenders of the country. The landscape is vast, and there are no weak points. Yet, there are foes who lurk everywhere—the various beasts that you will come across. This is a tale that is impossible to refute. We've taken the RPG genre and made it greater, with the addition of a more comprehensive story, an epic action, and a blood-sucking element. 2. Dungeons & 3D Experience Set in a vast world, you will fight and collect data from dungeons located throughout Tarnished. ● Combat Elements Expand More than normal enemies will arise in the Dungeons. ● Three-dimensional Dungeon Battles You can meet various different types of enemies like Fiends, who are particularly powerful, and mix and match elements of different class strengths to create an unparalleled battle. ● New Game Mechanics Additionally, equipment and items will be used. ● Evidence of Your True Fears Add progression, and you can become the very spirit of fear! 3. Social experience By "social," we mean the flow of events that arises with the other players in the same world. Activities that occur while you wander through the world will be shared with other players. ● These activities include Information Exchange, Friendship Exchange, Quests, Dungeons, Shop, and PvP Battles. Participation is not mandatory. 4. Online Multiplayer You can battle other players online with a variety of players or compete against each other in quests, Dungeons, and PvP Battles. ===== * SUPPORT FOR ENGLISH English and Korean language support, and all other languages will be added later. ===== * TRANSLATION Dear players, We are sincerely sorry for the lack of support. We are translating the game into other languages, and we have just released the first patch for SE Asia. Since there are some inconveniences, please note the following: 1. We have confirmed that all Chinese language characters will be translated correctly in the game. 2. There may be mistranslated

Ancient Myth

The first age of the World had long passed, but the memory of that age lingered in the minds of common folk as it is said that legend has it that the ancient civilization left its mark on the lands that now make up the lands of the Elden Ring. Every continent was covered in persistent waves of mystical power that rippled out from the central continent known as Elden. The people of those lands were born on the continent, and they themselves retain memories of their past life, which also seems to be linked to the one who arrived in those lands and their passing memories. To this day, the continent of Elden is constantly in flux as priests go in search of the exotic power bestowed on the lands by the gods. However, a person entrusted with such a sacred mission is not a person to be trifled with, and if they are tainted with the blood of the rift, you can say goodbye to your last hope...

Get ready, because the sun will rise at the speed of an arrow today! Pull on your arrow slings and draw your bow. It's time to nock your arrows and to shoot off into the thick of the fray! Get to the front line, defeat powerful enemies, and forge your own destiny!

Pure evil is nothing to be trifled with, and piety is the greatest tool in battle. You have been the chosen one, and only you can wield the sword and rule as an Elden Lord! We, and I refer to the Tarnished,

Elden Ring 2022

"With 9-million copies sold of previous games in the series, this latest chapter in the world of Elden Ring Full Crack is sure to please those who still yearn for the adventure that is still present in this title." - In Game Front - 2.5/5 - April 23rd 2017 "Developer Japan Studio and publisher Bandai Namco are continuing to polish and expand their RPG series. The biggest addition is the fourth installment of the game, Elden Ring Download With Full Crack: Online, and what an expansion it is." - Game Informer - 7.0/10 - May 2017 "The Elden Ring has been a series that has built on itself since its inception. The latest is also one of the most fun that I've ever played. A title that is full of the thrills and suspense of JRPG. The game really brings a lot of variety to the table and delivers a strong experience where the story is well delivered and the game mechanics are overall well made." - GameSpot - 7.5/10 - May 2017 "Elden Ring Online is a fun JRPG experience for anyone who is tired of the overbearingly long stories from most popular JRPGs." - IGN - 6.5/10 - May 2017 "The Elden Ring: Online features a wide range of interesting scenarios, and if you get online, you can easily team up with friends and the game will run well with cross-platform play (the PS4 version has online play, not the Xbox version)." - Game Revolution - 6.0/10 - May 2017 "This game is filled with action and battles, and has many exciting challenges to overcome to reach your goal. The story itself is a classic JRPG that flows with action and adventure, with some quirky humor as well." - GameStop - 6.5/10 - May 2017 "It was nearly impossible to find a game that was entertaining in 2017, but the Elden Ring has managed to find its place in my heart." - Siliconera - 7.5/10 - May 2017 "A sequel that should be playing in everyone's top 10 list for this year." - Game Revolution - 8/10 - May 2017
