We're the makers of the world's most played sports game, FIFA. With more than 600 million players and an official global license for more than 70 leagues around the world, it's the ultimate soccer game. Whether you're a player, a manager or a hardcore fan, we've got the game for you. What is Football? We are the world's most prolific sports simulation company. In 2012 alone, we brought 70 leagues, over 10,000 clubs and 500 official teams to more than 500 million players. Each day we release a game and license more than 150 new games to our official networks, plus our official developer network (ODN). What is the FIFA franchise? We started in the Bundesliga. Now it's around the world. From the Premier League to the MLS, our epic action sports game is the world's most played soccer game. In addition to 14 FIFA Ultimate Team™ Leagues, there are more than 500 official clubs to control, more than 125 official teams, and more than 30 leagues to manage in the official FIFA franchise. What does the "Powered by Football" logo mean? It's about the sum of everything: bringing the game closer to the real thing with fundamental gameplay advancements and a new season of innovation across every mode. FIFA is powered by Football - and the big news is that it's driven by the excitement of real football, as we connect football and footballers around the world. Why FIFA? We don't make games that offer nothing new - we only make games that offer value. We add new innovations that make the game more realistic, keep working to offer you the best gameplay experience, make our game better every year and keep improving the infrastructure. I'm new to the game (played 3 times now) and i have a bit of a problem. On the first 10 games i played (during the first round of the season) i'm able to make my team last the entire season without much stress, but today my form started changing. In the last 3 or 4 games i'm unable to score by any of my methods, all of my strikers are getting more and more useless as the game goes on so it seems. How do you do in the game, is the form guide correct or should the time used be corrected? Hi, well today everything changed again and my team

What's new in Fifa 22:

- The new TV mode allows you to quickly switch from gameplay to graphics, giving you the ability to see your game from a host of new angles.
- New in-game announcer A. J. Mihaliuk was named this year's Euro XI before winning the 2018/19 FA Cup. Subsequent acquisitions of Mihaliuk by the BBC have made him one of the country's best known football commentators.
