Elden Ring, the latest fantasy action RPG, follows the journey of Tarnished, a young man born into exile. He and a small group are brought before the Master Craftsman, an elite group of Elden Lords, and are given a rare and sacred object, the Elden Ring, the use of which determines the fate of the entire world. The game is designed to be played in a story-focused manner, where the player can enjoy the narration of the game's events as an "open-ended visual novel." The story has no preset ending and instead brings about the mystery of how each character will react in a multitude of various possible outcomes, creating a dramatic story that is worthy of your attention. The game allows you to create your own character and design the appearance and skills to create a diverse character, choose among a variety of endings, and explore a vast world filled with an infinite number of situations. Highlights

- The World's Original Action RPG: When you fight, you can execute powerful moves in front of, behind, or above your enemies. By combining the qualities of combat and navigation, the world is fully realized and a vast number of actions become possible.
- A Story Shaped by You: The story of the world and its time can be experienced in a myriad of ways. In the vast world, you can travel through fields, valleys, and forests, and discover dungeons brimming with traps and monsters.
- Awesome Gameplay: Featuring a wide variety of action games and RPGs, this game will provide the most immersive and enjoyable gaming experience possible.
- A Multimodal Experience: Besides a visual novel, the user interface is made up of visual feedback to enhance the sense of immersion. In addition, the in-game character can speak or perform actions, and both characters and their movements can be controlled by the user.
- An Experience to Keep You Awake: Beautiful graphics and the voice of the character and the presence of the user make the world vivid, and there are an infinite number of ways to play.
- Easy Accessibility: There are no complicated menus or difficult operations to master. With the user interface simplified, you can easily enjoy the game, and it can be played without any special knowledge of games.

ABOUT THE STUDIO: Glyph is a small creative team founded in 2018 in Tokyo, Japan. We decided to make the world's first fantasy action RPG because we were intrigued with the world

Welcome to the Land of the Eagle, where your quest to save friends from danger and world domination isn't the only thing afoot. Across this land untouched by war, the people of the world have been left to their own devices and have long since forgotten the days of royal rule. Free from such concepts, they live their own lives quietly in peace. The only thing keeping them a step behind the encroaching barbarians from outside is the devastatingly strong tribe known as the Knights. No one is safe from their continuous wars or from their mysterious, corrupt leader. But at the moment you arrive, a new plot is brewing out of these troubles, and it will be up to you to act. I'm sure you will certainly have your work cut out for you!

An epic story produced by the industry-leading company AAA, old school fantasy combat system RPG featuring fierce brigand enemies, huge boss encounters—and many more—is on the way to the Nintendo 3DS!

Explore an expansive world, and enjoy the one that made many of us RPG fans take to the air. Starting in a city catered to business people, you'll be able to enjoy your adventures with many people in this colorful city.

I've also included a snippet from my introduction here. Let's go over what this new RPG holds!

From Koichi Ishii, Director of AAA - This is it! Could you please help me once more? This time it's new RPG fantasy Eichi.
