Guardians of Greyrock is a dice-based boardgame for two to four players that requires courage, strategy, endurance and, of course, dice rolls! The game was developed by BonusTempus and published by RomePress. Players take on the role of Guardians in a quest to find the seven demons. As Guardians, players will be challenged to gather clues and fight to stay alive. As the Guardians approach their ultimate goal, the demons also get closer, leading to a fight to the finish. The Guardians of Greyrock Kickstarter is now live! Please support the campaign and stay tuned for more details! This product supports HD Rumble! -Precious Metal Set: dicePack: Green tiles: Green on Green tiles: Product Description As the seven Guardians approach the demons' inner sanctum, the demons also get closer to the shrine of Hestia.
