Enantiomeric screening of 18-hydroxycortisol in pregnant women using the 12.5 mg cortisol radioimmunoassay. An assay using radioimmunoassay has been developed to measure 18-hydroxycortisol in urine. The assay utilizes a 12.5 microgram cortisol quantity of tracer instead of a 250 microgram cortisol quantity. This assay has been used to measure 17-hydroxycorticosteroid levels in normal pregnant women and their infants and to detect elevated levels of 18-hydroxycortisol in pregnant women with rheumatic fever. Pastor Father Reis debuts as the winner of the first-ever “Our Lord, Saint Valentines” contest at the Metropolitan Cathedral of St. John the Baptist that took place in the parish yesterday. “I am so happy, I am like a child,” Father Reis, a priest of the St. Columban parish, told Vida Redacao TV in an interview before the prize-giving. “I have never expected this, not even when I was a child,” he said. “My dream of becoming an archbishop was fulfilled.” He received the “Thousand Crowns” prize as the best of all those who participated in the contest held since 2018. Father Reis encouraged people to work in self-giving love and Christ-like service in order to reach their goal. The priest thanked God for the new gifts that have come to him since starting the St. Columban parish six years ago. “A true saint on earth is someone who is in the labyrinth of love, of watching, of waiting, in order to enter the intimacy with the Lord, the greatest gift,” Father Reis said. “If you want to have happiness and you want to truly
