My method didn't work for me. I need to fix the command line of the down.exe. Thanks. aniram You're a freakin' god!! Thanks so much for this. Not knowing which commands to put on any of those websites made me go crazy. Also I have a question. How do I go about removing all the programs? I've been through the uninstall program

but there are so many I just can't count them all. Jesse I am using an iPhone5 with iOS 7.0.3.I am trying to update to iOS 7.1.1 and when I try to download from the App Store it says no available updates found.
