Highlights US President also called for China to exercise "self-restraint" China's foreign ministry did not comment on the meeting at the White House "China will continue to enhance its defensive cyber capabilities," it said China's foreign ministry on Friday said it does not discuss "internal political matters", but it did not comment directly on President Barack Obama's call for greater cooperation with the United States to deal with cyber security threats. "We don't discuss the domestic affairs of other countries and we don't do so, and we don't have to," said spokeswoman Hua Chunying. "As c6a93da74d
