## Duplicate Photo Finder Professional 5.22 Crack Portable License Key

Easy Duplicate Finder is completely easy to use. Simply drag and drop pictures to be checked. Duplicate Finder will find and remove duplicate photos or videos from your computer. You can find duplicate photos for any file, not only for photos. You can select the search criteria based on file extensions, file names, file sizes, labels, type, time of photos creation. You can specify the tolerance for duplicate photos. You can sort the found duplicates based on their file sizes and time of duplicates creation. Easy Duplicate Finder is included in 64-bit, 32-bit and multi-language version. Easy Duplicate Finder is the most easy to use and powerful duplicate-files-removal software that scans your entire hard drive, saves all the unique (non-duplicate) files in multiple folders and finally compresses all this data, which you can later delete from the backup folder. Easy Duplicate Finder has an intuitive user interface (UI) and will provide you with a complete report of your duplicate files that you can use at any time to eliminate duplicates. Easy Duplicate Finder is very user-friendly, comes with a free 1-click scan of your computer drive for all the duplicate files, scan, and delete them at a fast rate, it is available in three languages (English, Italian, and Spanish). Easy Duplicate Finder also allows you to save the report of your duplicate files in several folders or sub-folders, in the order of their file sizes. To make cleanup even easier, Easy Duplicate Finder allows you to mark the files that were automatically removed, and you can even create an automatic backup, or schedule the scanning of your hard drive. Easy Duplicate Finder Professional has the capability to remove duplicate video files. 5ec8ef588b
