hello, is it possible to view the scripts for season 2 of the show? Ive just started watching it and it doesnt seem to be up on your site. I live in england so this only leaves me to watch it on the magic box. Thanks

Grachi is a 3D CGI television series based on the Spanish graphic novel by Julián Riquelme and Martín Morazzo, is distributed by Warner Bros. Internationally, it was distributed by Warner Bros. Home Entertainment in the U.S. and Warner Premiere in the UK in 2012. The series premiered in the UK on November 29, 2012, and in the US on December 21, 2012.

Grachi is a Nickelodeon animated television series, which also aired on YTV on September 12, 2009, and Kids' WB on June 23, 2009, and is based on the 2007 DC Comics series, Gracie. The series, developed by Shou-Jen Chan and Bryan O'Malley, follows the story of Gracie, a teenage girl who can read people's thoughts. Gracie must balance school life with family, friends, love, and saving the world. It contains no violence and contains humorous moments, family friendly songs, background songs, and many sound effects. It shows a

case of daydreaming, since she lives in a fantasy world where everything always turns out well; the series received positive reviews. Grachi is a Nickelodeon Latin America fantasy television series written by Mariela Romero, and produced by Picaparrullas. The series is about the story of Gracie, a teenage witch. Gracie lives with her brother Edgardo, an immune to water lizard named Finito, her parents Sofia, an animal healer, and her crazy grandmother Nenita, who never let Gracie go out of the house. On the other side, she is in love with Daniel, a handsome popular boy at school, who is also in love with Matilda, a mean girl who is much more beautiful than Gracie.
