This game is not only entertaining but educational as well. It teaches your kids to solve problems, follow directions and work together to make things happen. The graphics are great and everything is easy to understand and follow. This is a must have for any Dora fan. (5 stars from 70 votes) Date Added: 09/12/2013 Best game for the price As a parent I can definitely recommend this game for my children. The games are easy to understand and follow and easy to play, but not too easy to not be able to beat them. Each game teaches some new skill that you can use in real life. This is a great game for kids to use their "creativity" and play with others to see who can beat the score. (5 stars from 25 votes) Date Added: 12/09/2012 Fun My daughter and I enjoyed
